1. Executive Summary & Brand Positioning

Hakeem Ikram's Herbal Store / Hi Herbs (Registration No: QH-48599-A) is an established herbal and Unani wellness institution based in Shalimar, Lahore, Punjab, Pakistan. With over a decade of dedicated clinical practice and retail presence under the leadership of Hakeem Muhammad Ikram, the brand is expanding into a high-performance omni-channel e-commerce ecosystem.

The primary objective is to deploy a modern, mobile-first, SEO-driven B2C web platform that seamlessly combines digital e-commerce speed (benchmarked against platforms like iHerb and Daraz) with the clinical authority, heritage, and trust of a traditional Hakeem clinic (akin to Hamdard Pakistan).

3. Page Map & Site Architecture

A. Interactive Home Page (/)

- **3D Canvas Hero Section:** 3D interactive model (e.g., an organic herbal bottle or ingredient leaf rendered via React Three Fiber) with Framer Motion text animations overlay.
- **Dynamic Mega-Menu:** Dropdown navigation mapping all 20 herbal sub-categories cleanly.
- **Trust & Credentials Bar:** Highlights 100% Pure Herbal Solutions, Hakeem Consultation, COD Available, and Express Lahore Delivery on orders above Rs. 2,000.
- **Bestsellers Grid:** Interactive product cards with instant "Add to Cart", "Quick View", and direct "Order via WhatsApp".
- **Hakeem Credibility Showcase:** Photographic section introducing Hakeem Muhammad Ikram, clinical history, and traditional Unani heritage.
- **Store Locator & Map:** Embedded Google Map targeting Shellar Chowk, College Road, Shalimar, Lahore (Operating Hours: 9:00 AM – 12:00 AM).

B. Portfolio & Heritage Page (/portfolio or /about)

- **Clinical & Brand Heritage:** Story of Bismillah Pansar Store, lineage of Hakeem Muhammad Ikram, and transition to Hi Herbs.
- **Interactive Timeline:** Framer Motion-animated journey from local Lahore pansar store to digital e-commerce platform.
- **3D Ingredient Showcase:** Interactive 3D viewer displaying raw herbs, seeds, and traditional formulation techniques.
- **Certification & Quality Assurance:** Registration No. QH-48599-A display, purity guarantees, and lab extraction methods.

C. Shop & Product Detail Pages (/category/[slug] & /product/[slug])

- **3D Product Viewer:** React Three Fiber interactive 360-degree bottle/packaging display.

- **Multi-Variant Picker:** Dynamic radio selection group updating prices based on weight selections (e.g., 250g, 500g, 1kg).
- **Tabbed Information Area:** Overview/Description, Therapeutic Health Benefits (SEO bullet points), Dosage/Usage (Tibb Guidelines), and Raw Ingredients.
- **Action CTAs:** Dual button layout — "Add to Cart" and "Order via WhatsApp" pre-filling product variants.

D. Hakeem Consultation & Contact Page (/contact)

- **Consultation Booking Form:** Select health concern (Hair, Skin, Diabetes, Joint Pain, Sexual Health, etc.), preferred date/time, and option for physical clinic visit vs. Online WhatsApp diagnosis.
- **Direct Contacts:** Click-to-call buttons for Hakeem Muhammad Ikram (+92 321 4544949) and Awais Ikram (+92 313 4053679).

E. Checkout & WhatsApp Automation Flow (/checkout)

- **Frictionless 3-Step Checkout:** Cart Summary → Customer Delivery Address Info → Payment Selection.
- **WhatsApp Payload Automation:** Upon order submission, order details are saved to MySQL and immediately trigger a formatted payload to WhatsApp (+92 321 4544949):

```
